

**AMENDMENTS TO THE SPECIFICATION**

Please amend paragraph [0008] of the Specification as follows:

[0008]

In the medal tray of the invention, a medal ejection port may be provided in the ~~rear side~~ wall, and the protrusion portion may be disposed between the medal ejection port and the bottom wall. In this case, since the protrusion portion is interposed between the medal ejection port and the bottom wall, closing of the medal ejection port with medals on the bottom wall is suppressed.
